Pacific to host first carnival in 20 years

Pacific has been selected to host this year's inter branch carnival, which will see 200 of the best u13 to u17 competitors in the State compete in inter branch rivalry. The event will be held on Saturday the 29th of November from 8.00am, and will allow us to showcase our magnificent club to the rest of the surf lifesaving community. We will need lots of hands on deck for the BBQ and general logistics.

Congratulations to Zoey Plater, Kristie Bowers, and Hayley Bower who all made the team- again another outstanding result for Pacific.

Teams Carnival - Currumbin

Our little dudes had their first hit out of the season at the annual u8-u10 teams carnival at Currumbin. For a lot this was their first chance to experience an inter club carnival. We had some great results with the high light being our all age relay finishing 3rd. Many thanks to our new officials Sonja Nolan And Renee Bucky, as well as our regular officials, set up task force and water safety. With out you we don't compete at carnivals.

Little Dudes Carnival- Coolangatta

This carnival is with all the Gold Coast clubs with some 800 kids converging on Coolangatta beach. Again Some fantastic results, including our first swim medal in about 15 years. Well done to Isabelle Lowe 3rd in u9 swim. Our all age relay placed 4th, with Domonic McGlinchy 4th in the u/9 flags, Holly Rooney 6th -u10 flags as well as a number of finals. Congratulations to all our nippers that competed and did us proud.

Club ChampionShips

This years First club championships will be held on the Saturday the 6th of December from 1.00pm. The afternoon will be the same as previous years with a visit by santa and a disco function after all the competition. Please save this date as points will go towards the end of year age champions.

Surf Soldiers Camp

5 of our cadets and 3 of our juniors attended the Gold coast surf soliders event, that is designed for the future leaders of our club. They had the chance to participate in team building and leader ship excercises as well as mix with other young members from other clubs. These camps not only foster these skills but allows our young memebbers to develop ideas that they bring back to the club and enhance the expereince of all our youth.
