Louise Ryan—Registrar

Jeff Deegan—Team Manager

Presidents Report

David Pinchin

Thank you for the opportunity to undertake the role of President of Pacific SLSC for the season of 2012-13. Season 2012/2013 provided many challenging days with some extreme weather conditions that we experienced over the patrol period and particularly around late January/February, when at times our Beach was closed. However faced with these adversities, our volunteer patrolling members patrolled Pacific Beach and its environs and performed their duties and tasks assigned to them. Our Club always had volunteers to patrol our beach and ensure it was open to the public as required.

The commitment from our volunteer patrolling members enabled the public to be protected, educated, receive first aid treatment and at times be rescued. All our patrolling members can be proud of their efforts and commitment and I thank one and all who have patrolled and protected Pacific Beach. With a total of over 4000 volunteer patrol hours by our 98 patrolling members we have maintained an excellent standard of lifesaving and diligence. It is great to see the continued dedication and commitment from our members for which I thank you.

The month of December was once again the time for our traditional House to House collection. As a Club we collected a total of \$6586.65 and I thank each and every member who attended for volunteering their time and taking the effort to collect and raise funds for our Club.

This season has seen a formal partnership agreement with the Pacific Supporters Club developed to provide a consistent and clear framework and expectations for us to work from and a copy is available on the website for member's information. The Supporters club has provided to the club over \$40,000.00 which will go into the clubs general account for acquittal as recommended by the management committee. A big Thank you to the Supporter's committee who have work hard in building upon the solid foundations previously set down. We were also successful in obtaining a grant from the QLD Government Department of Community Safety Lifesaving Development Fund-Sustainability which was used to build the cupboards in the training room.

Thank you to Point Danger Branch (PDB) for their support throughout the season. From a Branch perspective there has been considerable discussion in relation to the concept of Regionalisation with PDB being formally invited to be a part of the regionalisation on the Gold Coast by budget allocation time 2014. SLSQ undertook to provide documentation of the proposal for PDB to consider following an independent review of regionalisation which will be completed in September 2013.

Presidents Report

The Junior Committee have continued their dedication to our Nippers and I thank all concerned. The junior section continues to be busy and active with our Nippers growing and developing into the future lifesavers to patrol at Pacific. Our juniors had another successful competitive year culminating in a successful campaign at the State Championships. Congratulations to all concerned.

During the season Denis Carmody step down as Chief Training Officer (CTO) due to health reasons. Denis has been our CTO for longer than I can remember, having nurtured and trained so many of our present day lifesavers in a respectful and caring way. I would like to Thank and acknowledge Denis's contribution to Pacific in his dedication to the development of others. The role of CTO is perhaps one of the most important development positions at Pacific, without training we do not have new people to assist on the beach. Over the years Denis has offered members an array of courses to choose from which enabled our members the opportunity to further their skills in Surf Life Saving and enabled our Members to have available to them Bronze/SRC, advanced resuscitation/ defibrillator, IRB driving/ crewman, ATV and tractor courses to benefit members of our Club. Thank you for your commitment and dedication in this role and also to those who assist with training.

The season has indeed been successful and one of fun and achievements. The management and executive officers have tirelessly dedicated so much time, energy, enthusiasm and commitment to enable the club to function and grow. Each contributing a skill set and maintaining a portfolio that keeps us functioning and protecting lives on the beach. There is so much work that goes on behind the scenes and each and every officer has done so with generosity, professionalism and respect and I thank them very much for making it a great year in my term as President.

It has been an honour to work with a group of such dedicated and loyal members who have given up their time to serve the community and to ensure that Pacific Beach continues to be regarded as one of the safest beaches for all to enjoy. In closing I thank all those members that have assisted myself and our Club throughout the Season and look forward to another successful and safe Season in 2013-2014.

Kind Regards

David Pinchin

Club Captain

Brock Wharton

Club Captain Report – 2012/2013 Season

What a great Season! I cannot thank you all enough for your ongoing dedication to patrolling Pacific Beach. Year after year I see you all arrive to do your beach patrol and you are always smiling and friendly and happy to tell of the 'week you've had' ... It is this that makes Pacific so special. The fact we are more than volunteer lifesavers, we are all mates and easily spend time together with people from all walks of life. Even electricians. And along the way we maintain our goal of keeping Pacific Beach free of drownings and continue to provide a service to the bathing public unmatched by many other Clubs. As my involvement in lifesaving increases I am talking with more people and they all comment on the high standard of Pacific patrols and how we have grown into a strong and healthy Surf Club. Thanks entirely to the volunteer members of Pacific!

Leading this loyal group of Club Members is a Management Committee that has continued the progress Pacific SLSC makes and it has been a pleasure working with them. Dave has done an amazing job as President and set the mood early in the season. His calm and friendly approach to all of the tasks at hand has flowed through from his management committee to the members, friends, families and nippers. Tony, Al, Bec, Eddie, Denis, Terry and all Officers have worked hard in their roles and their efforts are obvious.

Our Lifesaving Committee has again kept all of the equipment in order and I appreciate their hard work. The beach is a harsh environment but week after week the gear and equipment is repaired/serviced to maintain our level of service required. Not to forget the administration which is as important as a functioning IRB! A mostly unnoticed job but critical to keep our Beach safe. Thank-you Terry, Gordon, Sean, Ken, Anthony, Louise and Jeff.

Probably the biggest single event this year was the resignation of Denis Carmody as Chief Training Officer. Denis was my biggest influence (good or bad I'm not sure) since joining Pacific and it was sad to see him give up this role as Pacific Chief Training Officer after all of his extraordinary efforts over the years. There are many stories to be told by both young and old of Denis' antics and although his health has slowed him down a little we will continue to see him train in the years to come. Let's raise a glass to Denis while I raise a 'Form 14' for his latest course...

The Season also had Pacific SLSC attend more Nipper carnivals and we are seeing results that we haven't seen for many years. This will flow through to the Senior Club as strong volunteer surf lifesavers and will certainly increase our strength on Patrols. As Club Captain it is comforting to see the strength and passion of our youth and it ensures a strong future for Pacific. Congratulations to Kev, the Junior Committee, Water Safety, Trainers, Cadets and Nippers!

It has been a great pleasure serving you all as Club Captain at Pacific over the years. There is no doubt we will continue to grow and remain a respected Surf Lifesaving Club. Enjoy your break through the off season and I look forward to seeing you all on the beach for the 2013/2014 Patrol Season. Here's Cheers!!!

Your Club Captain

Brock Wharton

Junior Activities

Kevin Schofield

This has been a fantastic season for the Pacific Nippers building on some solid foundations laid from previous seasons. At the beginning of the season the committee set some very high objectives and goals. I would like to thank our entire committee and team for their amazing passion and commitment in ensuring that as a team we have managed to live by our motto "every little bit helps" and achieve these benchmarks and results.

Our focus

- New Nipper handbook Book
- New range of swim wear
- Coaching on a Saturday
- Greater participation at branch carnivals
- Send a team to the state titles at Hervey bay
- Ensure all kids get their surf awards
- New age manager shirts
- Twilight age champion ship, BBQ and disco
- Earlier start to season completing proficiency's
- Coffee machine
- More officials & water safety
- Improved communication to members
- New tent

Highlights

- Record number of kids competing at all carnivals
- Improved board riding and surf skills
- Successful surf camp weekend for SRC & CPR
- 159 surf awards including u6 & u7
- 80 members to the state tiles Hervey bay with 26 competitors
- 2 state medals and 4 in top six
- Best ever u11-u14 branch result
- Two new officials
- Two new coaches
- Positive comments about Pacific nippers on the beach, carnivals, and in the community.

The 2012/2013 has seen membership remain steady with a healthy spread of numbers in all age groups. The most pleasing aspect is our improvement in the u11- u14 categories which is against branch and state trends. This is exciting news for Pacific as this is where our new breed of patrol member's will come from. This season we had 7 new SRC's complete their training and perform patrols.

In moving forward our next challenge will be to build on this fantastic season, ensuring that we are able to develop our kids to have better skills, which in turn will lead to better results, and ultimately be able to bring these skills for their development within the senior club. This will be achieved by more officials, coaches, age managers, water safety and general volunteering in all areas that help support Pacific junior activities.

In closing I would like to thank our amazing sponsor's Harvie dental, East coast Concreting and everyone who has contributed in some way this season, and encourage everyone that "every little bit helps " for season 0213/2014

Kevin Schofield

Junior Activities Chairman

Pacific age group comparison

Supporters Club Presidents Report

Gordon Grant

I'm proud to say that Pacific Supporters Club has had a very successful year. Our sole purpose is to supply a revenue stream to the surf club and to that end we have transferred in the vicinity of \$40000 [unaudited figure] to the surf club. It's been a great team effort and I'm sure if you asked any of us when we took up surf lifesaving did we think we would be involved in running a function centre, we would have given you a strange look.

All annual reports include thanking people and this one will be no different as it's virtually the only public chance I get to thank these people. Firstly I must thank the previous committee particularly Fe and Jared for the time they spent setting up our revamped supporters club. Rebecca is a fantastic treasurer, Alistair a fantastic secretary and the surf club president and the supporters president must be on the same page, well David has been a pleasure to work with and so helpful.

If I listed everything Brock did for the supporters club I'd need another page, but just to mention a few, he [and Louise] clean the club before each function, he cleans the windows and sliding doors before each function, he purchases the drinks and refills the fridges and cold room, he cleans the beer lines, he counts and banks the takings and operates as duty manager for many functions, I'm sure you get the picture.

I wish to thank several members who have worked the bar and operated as duty manager for the functions and thank you all members of the club for your understanding and co-operation whilst functions are on. We all know it's a surf club first and foremost but the functions are our main source of income and I thank you all for your help and understanding.

As of this date we have 17 functions [majority weddings] already booked into next year, with more coming in all the time. Every guest who comes to a function at our club all rave what a fantastic venue it is, remember folks just a few short years ago when we spent every Saturday tearing the old club down and building what we have now.

We have done several improvements during the year our latest one being the purchase of tables and chairs for sit down functions, we will soon recoup our outlay as we will no longer need to hire them each time.

So in closing thanks for all your support and any concerns or questions regards the supporters club please come and see me.

Yours in life saving,

Gordon Grant

Treasurer's Report

Rebecca Farley

I am pleased to report on a successful financial year for Pacific Surf Life Saving Club for the 2012-2013 season.

For the financial year ended 30 April 2012, the club realised a net operating profit of \$34,468 (2012: \$32,383) which is comparable with the prior year. However you will note income was up considerably on the prior year (2013: \$183,363, 2012: \$120,774) , this is due to the timing of the donation from Pacific Surf Life Saving Supporters Club for the 2011-2012 season as a result of the previous accountant/auditor reporting on an incorrect year end. Please note this anomaly has been corrected for future years. The increase in income was offset by increased expenses (2013: \$148,895, 2012: \$88,390.43) The major increases in expenses were attributed to additional repairs and maintenance required to keep equipment up to date and functional, increases in depreciation expenses and writing off a number of assets (eg radios, ATV, patrol tower) that have not existed for a number of years but remained in the asset register. Pacific Surf Life Saving Supporters Club has provided to be a valuable source of donation income throughout the season (2013; \$43,360.79, 2012: \$25,207.69). Without this contribution the financial position of the club would be considerably different. A huge thank you goes to the Committee of the Supporters Club and the tireless volunteers that give up their time to make the function room such a success for ultimately the enjoyment of all members through providing up to date surf life saving equipment and improved club facilities.

The committee would also like to acknowledge the following notable donors for their contributions to the club during the season.

Darren Schofield \$1,000	East Coast Concrete \$5,000
Lindores Cranes \$5,000	Bevil Staley \$550
Children's Expo \$500	Ashworth Family \$300

We also received a number of smaller contributions from donors throughout the year that should not be dismissed, all donations whether financial or time related are greatly appreciated and make Pacific Surf Life Saving Club the club it is.

The Annual Surf Life Saving Appeal raised \$8,585.65 for the club. Thank you to those who took the time out of their busy schedules to represent the club in our collection area. These funds were used to cover most of our insurance expenses for the year. Hopefully next year we will be able to build on the figure raised and put money towards surf life saving equipment on the beach.

Financially the club is well positioned for the upcoming season. The main priorities for the upcoming season will be upgrading the toilet and shower amenities for members and upgrading larger surf life saving equipment for beach patrols. We are endeavouring to pursue grant monies to complete these priorities however it is more than likely donations from private entities and the Supporters Club will be instrumental in making them a reality.

Please note both Pacific Surf Life Saving Club and Pacific Surf Life Saving Supporters Club are amongst a small a group of surf clubs that remain debt free, a credit to the committees and members direction and commitment.

The audited financial report follows or members' review.

See you on the beach

Rebecca Farley

2

PACIFIC SURF LIFE SAVING CLUB INC ABN 24 204 476 192
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2013

Note 1: Summary of Significant Accounting Policies

The financial report is a special purpose financial report prepared in order to satisfy the financial requirements of the Associations Incorporations Act 1981 (Queensland). The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of the financial report.

- Property, Plant and Equipment (PPE)**
Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.
- Impairment of Assets**
At the end of each reporting period, the committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.
- Cash and Cash Equivalents**
Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.
- Accounts Receivable and Other Debtors**
Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.
- Revenue and Other Income**
Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax (GST).
- Goods and Services Tax (GST)**
Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.
- Accounts Payable and Other Creditors**
Accounts payable and other creditors represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a currently liability with the amounts normally paid within 30 days of recognition of the liability.

Nipper Club Championships

Under 6 Girls

1st Marea Buchanan Ruru & Amy Emerton

3rd Mahyah Young

Under 6 Boys

1st Angus James

2nd Jacob Atkins

3rd Harry Smith

Under 7 Girls

1st Isobel James & Isobelle Lowe

3rd Ava Reid

Under 7 Boys

1st Jackson Waite

2nd Zac Silyonski

3rd Charlie Trunks

Under 8 Girls

1st Ebony Buchanan Ruru

2nd Ava Mowbray & Imogen Stewart

Under 8 Boys

1st Brayden Spink

2nd Bailey Manix

3rd Hamish Follitt

Under 9 Girls

1st Gabrielle Avery

2nd Matilda Beikoff Smart **3rd** Jacqui Slattery

Under 9 Boys

1st Tyran Lang

2nd Ben Harvie

3rd James McPherson

Under 10 Girls

1st Eliena Escott

2nd Shae Rooney

3rd Mackenzie Dammers

Under 10 Boys

1st Cameron Lang

2nd Jaxon Ryan

3rd Riley Tolan

Under 11 Girls

1st Jessica Slattery

2nd Heidi Avery

3rd Zoe Platter

Under 11 Boys

1st Owen Bowers

2nd Thomas Glass

3rd Joshua Mowbray

Under 12 Girls

1st Kristie Bowers

2nd Rachael Russell

3rd Olivia Vickery

Under 12 Boys

1st Oliver Singh

2nd Harrison Schofield

3rd Nicholas Webb

Under 13 Girls

1st Rachel Harvie

2nd Hanah Robb

Under 13 Boys

1st Noah Buchanan Ruru & Patrick Buchanan

3rd Josh Glass

Under 14 Girls

1st Hayley Bowers

2nd Chloe Schofield

3rd Chloe Harvie

Under 14 Boys

1st Ben Beggs

2nd Miles Macpherson

3rd Angus Emerton

Team Manager

Jeff Deegan

Pacific is coming out of the shadows, onto the beach and into the surf. We are competing in numbers again, your Club was once a very powerful high performance club.

The cadets have competed in a number of carnivals and special events– the Nippers went to Branch and State titles in forces and had a wonderful/different experience. The catch phrase was, “Hurry up and wait”.

Most of this new enthusiasm has come from the Nippers fantastic season of competition and the support by all the Nipper parents and Age Managers.

For some years only a few Masters have competed regularly to show our cap, the brown blue and yellow. But this season we have tripled our numbers in the Aussies, the Officials now remember the Pacific cap colours.

We have done well, getting to the finals of events and being very well placed. The Aussies was particularly pleasing for Sean Harvie, Kevin Schofield, Emily Young, Gordon Grant and Jeff Deegan. The equipment organisation and the mass of competitors along the North Kirra beach is truly motivating. You feel you are part of a historical event.

You are welcome to join us, in training and discussing training programs, techniques and the most important ingredient – MOTIVATION. We plan to rest up this winter then build up with the Proficiency in Spring. Then in Summer club patrols is the time to work up for the big push for our Branch Carnival in February. It is great for your confidence and fitness, to having a go, appreciating others' skill and dedication.

State Junior Titles

Hervey Bay

Friday 1 March - Sunday 3 March

Noah Buchanan Ruru	Lauren Byrne	Louis Wade	Sam Ryan
Angel Avery	Chloe Schofield	Casey Wade	Brenan Tolan
Heidi Avery	Harry Schofield	Lilly Harvie	Jessica Slattery
Lachlan Platter	Aylah Crutch	Chloe Harvie	Taylor Slattery
Zoe Platter	Kristie Bowers	Angus Emerton	Amelia Kay
