

Dear Members,

As you proceed on to renewing your membership, we want to ensure the safety and compliance of all our members. Please be advised, all patrolling members and any member holding any position within the club must hold a current **Blue Card** and have completed the **CYRMS and CSA** certifications prior to your membership being endorsed by the club board. These certifications are vital to the well-being of our club and its members.

Ensuring the safety of our young members is of utmost importance to us. To achieve this, we require all members to hold a current **Blue Card**. The good news is that the application process through your SLS club is completely free of charge. Not only that, but it is also designed to be quick and easy, allowing you to obtain your Blue Card with minimal hassle.

To assist you in this process, we have provided a convenient step-by-step guide for your **Blue Card Application**. You can find the link below, which will lead you through the necessary steps. **CYRMS and CSA** courses can be accessed through the SLSA Members Portal. To help you access these courses easily, we have attached instructions with a detailed step-by-step guide.

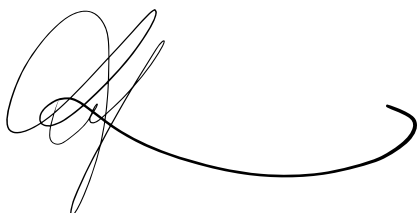

Thank you for your cooperation in meeting these requirements. Your commitment to safety and compliance is greatly appreciated and contributes to the overall excellence of our club.

If you need any further assistance, feel free to reach to office@pacificslsc.com for any assistance.

Best regards,

Anne Turner

Pacific SLSC President

A handwritten signature in black ink, appearing to be 'Anne Turner', with a long, sweeping underline that extends to the right.
