

Child Safety Requirements for SLSQ members 18 years +

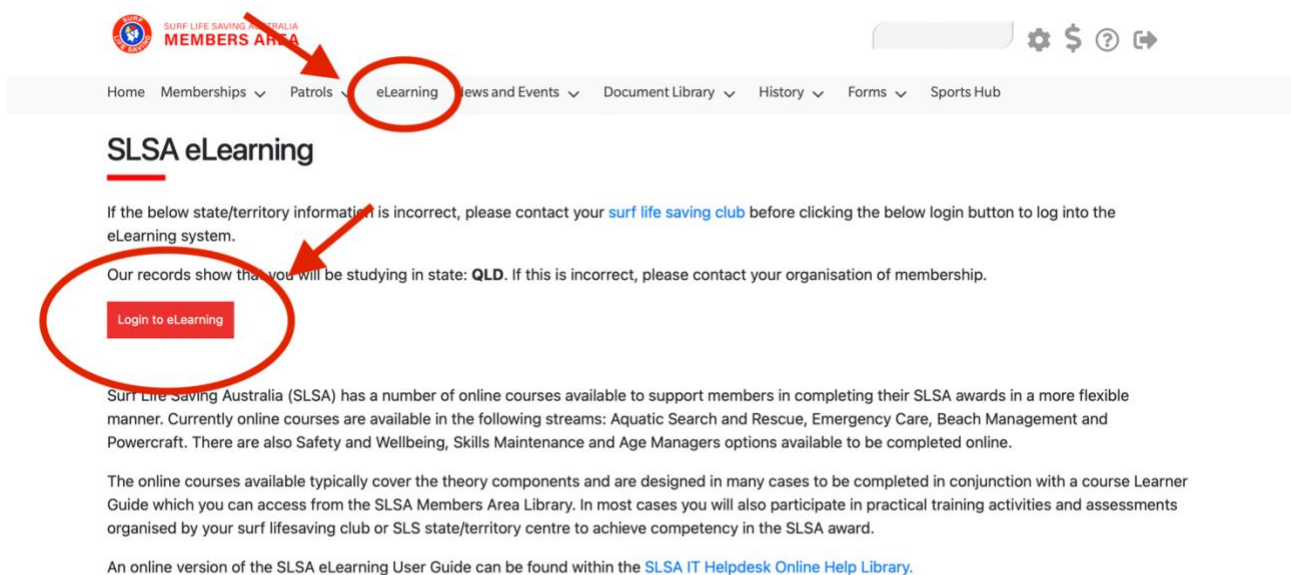

1. Obtain a Blue Card or have your current Blue Card / exemption registered with Pacific SLSC.

Please find instructions on separate document.

2. Complete the Online courses through SLSA eLearning (2 separate courses)
 - a. Child Safe Awareness
 - b. CYRMS (Child & Youth Risk Management Strategy)

Guide to Finding the Courses:

Go to the eLearning portal and to the "Training Library".

The screenshot shows the SLSA eLearning portal. At the top left is the SLSA logo and 'MEMBERS AREA'. A navigation menu includes 'Home', 'Memberships', 'Patrols', 'eLearning', 'News and Events', 'Document Library', 'History', 'Forms', and 'Sports Hub'. The 'eLearning' menu item is circled in red. Below the menu is the heading 'SLSA eLearning'. A message states: 'If the below state/territory information is incorrect, please contact your surf life saving club before clicking the below login button to log into the eLearning system.' Below this, it says: 'Our records show that you will be studying in state: QLD. If this is incorrect, please contact your organisation of membership.' A red 'Login to eLearning' button is circled in red. Below the button, there is text about online courses available for SLSA awards, listing streams like Aquatic Search and Rescue, Emergency Care, Beach Management, and Powercraft. It also mentions that online courses typically cover theory components and are designed to be completed in conjunction with a course Learner Guide. Finally, it notes that an online version of the SLSA eLearning User Guide can be found within the SLSA IT Helpdesk Online Help Library.

CHILD SAFE AWARENESS
